FUNDRAISING OPPORTUNITIES

Ashland Travel Club wants to help any student attend their respective trip. Unfortunately we are not able to offer scholarships, but do make several fundraising opportunities available. The sooner a student starts fundraising, the greater the chance of paying off 100% of the trip. In past years we have had students pay their entire way through fundraisers.

#1 Fundraiser: Candy Bar Sales. You pre-buy at \$19.99 Hershey's Assorted Box of chocolate and sell the bars for \$1.00. There are 40 bars in each box, therefore, resulting in \$20.00's profit on each box. Buy 1 box or buy 10...we can get them for you as you need them. We recommend this option as the most popular and easy to raise funds for students in the past. Students are encouraged to take the candy to school sporting events, church functions, or other large gatherings.

#2 Fundraiser: Domino's Pizza Cards. You pre-buy the cards for \$2.00 each and then sell for \$10.00, keeping the \$8.00 profit. You can buy as many cards as you want and re-order if you sell out. Although these yield a high return, students have found them not as easy as the candy bars.
